- No staking in pavement.
- Alcohol is strictly prohibited.
- No driving go-karts or any other motorized vehicle in the parking area.

### Owners:

- Every driver must sign an informational practice document once a year that will be kept on file, shown below:
  - Every driver must have a COTA Karting profile account, pay a day pass or session fee to drive on track and show current wrist band to grid official before entering track. Minor drivers must meet the sign-in requirements. Drivers must be in an age-appropriate chassis and motor.
  - Participants must abide by all Flags and Digital flag guidelines that are standard for karting at COTA Karting.
  - Please understand that this is a practice day and NOT RACE DAY. We will use the “let pass” sign or blue flag when possible, but it is your responsibility to pass other karts safely with no contact. Keep in mind all different skill levels will be practicing in your run group.
  - We do have a policy if you are unsafe on track based on lap time or skill to issue you a full refund and revoke driving privileges. Maximum lap times may be in effect on busy days. A full refund will be issued if track time is not possible for a driver.
  - No driving karts in the parking area.
  - All drivers must come to a slow, controlled stop on track if the red flag or red lights are shown.
  - You must keep your pit area clean and dispose of waste properly.
  - All camping and trailer parking rules must be adhered to.
  - Any foul language or bad behavior will result in the loss of driving privileges and expulsion from the facility.
  - We do not issue refunds for non-performing karts or inclement weather.
  - Full gear is required at all times, which includes driving shoes/sneakers, long abrasive-resistant pants, abrasive-resistant jacket, gloves, neck collar for juniors/cadet drivers, full face helmet.
  - ‘X’ on back of helmet for all beginners.
